

**BBRS PROPOSAL 780CMR R5.2.9.1.1--5-04-18**

Amend 780 CMR, regulation R5.2.9.1.1 by adding an EXCEPTION to the bottom of the Regulation which reads:

EXCEPTION: If, upon review of a Construction Supervisor License complaint the Board or the Hearings Officer determines that such complaint may involve possible Home Improvement Contractor violations of MGL c.142A and/or 780 CMR R6, such Home Improvement Contractor complaint hearing may be conducted simultaneously with the Construction Supervisor License complaint hearing.

Where possible violations of MGL c.142A and/or 780 CMR R6 exist, the notification and hearing shall also conform to the requirements of 780 CMR R6 as applicable.

**DEFENSE**

HIC non-compliance often occurs concurrently with Construction Supervisor License non-compliance and this proposal allows the BBRS to simultaneously address both types of complaints (CSL and HIC)
